BLACK FOOTED PENGUINS

## LETTERMAZE SAFARI

HUNT FOR THE HIDDEN MESSAGE

Search for letters and numbers:  
Find a hidden letter and follow  
the path to reveal its number  
placement.

Example: The A is the second letter in  
the message.

## PENGUINS

The penguins' message has  
16 letters divided into four  
words.

Place the letters in the num-  
bered spaces below. Vertical  
breaks separate the words.

|    |    |    |    |    |    |
|----|----|----|----|----|----|
| 1  | 2  | 3  | 4  | 5  |    |
| 6  | 7  | 8  | 9  | 10 | 11 |
| 12 | 13 | 14 | 15 | 16 |    |

As with anything new, this needs to  
be tested. Is it enjoyable? Is it too  
hard or too easy? Would you share  
it with your friends? Do you prefer it  
digitally or printed? Try out the Penguins  
LetterMaze then please take a few  
minutes to answer a couple of questions  
and tell me your thoughts at this link:
